A true partnership for success

Edmentum provides your district with the flexibility needed for success.
We partner with you to deliver comprehensive services and industry-leading expertise to ensure program success and drive student achievement. Our service offerings include:

- Program design and planning
- Implementation and product onboarding
- Professional development and ongoing support

In creating this program, flexibility was key; we wanted to be able to give our students every opportunity and allow them to participate in the different activities to help them get to where they wanted to be both in academics and personal interests.

—Heath Wright, Director of Extended School Program
Abilene Independent School District, TX
