

## Georgia Study Island Programs

[Study Island](#) is a data-driven standard mastery solution designed to help K-12 students master content specified by the Georgia Standards of Excellence (GSE). It's high-impact, high-value learning programs provide proven academic support through practice, immediate feedback, and built-in remediation to improve students' performance in core skill areas. Paired with an intuitive, real-time data dashboard, educators can easily track student progress and differentiate instruction to continually drive student achievement.
