Ensure success in 2014 and beyond

At Edmentum, we understand that you serve learners with diverse educational backgrounds and goals. Effective preparation is more important than ever to ensure each individual can successfully compete in a 21st century global economy.

At the forefront of change

The GED® test is changing to help more adults become career and college ready. Open up doors for your students to better paying jobs, new careers, college classrooms, and a brighter future. Ensure your students are prepared for the 2014 Test with a complete GED® preparation solution from Edmentum.

A proud partner

We are committed to providing your adult basic education students with the highest quality programs to prepare them for the new 2014 GED® Test. We are working collaboratively with the GED® Testing Service to ensure that our offerings are closely aligned with what's being measured on the new test. In addition to our partnership with GED®, we are also a preferred provider of GED Ready™ - The Official Practice Test, completing our full test preparation solution.

Test prediction with GED Ready™

- GED Ready™ has the same look and feel as the real GED® test, but is half the length. Test-takers who try GED Ready™ will get firsthand experience answering computer-based test questions written and developed by the test's creators.
- Evaluate your test-takers' instant GED Ready™ scores and decide if they're prepared to test. You'll be able to identify areas of strength and weakness and immediately work on improvements.
- GED Ready™ will be synced to Plato Courseware to help you create targeted study plans for your test-takers. When someone finishes GED Ready™, they'll receive specific guidance on what to study in Plato Courseware.

Help your students build confidence and fully prepare to pass the GED® test with solutions designed specifically for the 2014 test.
