

College and Career Readiness Solutions for CPS Students

Edmentum is an approved provider of college and career readiness solutions for Chicago Public Schools. We share your commitment to preparing students for college and career success by offering a robust collection of proven courseware, test preparation, and intervention solutions.

Effective online courses to achieve real results

What's approved:

- Career Technical Education (CTE) library of 80 semesters of courses that covers all 16 Career Clusters®
- Secondary Academic library of core subjects, World Language, and elective courses for 7–12 grade students
- Beyond High School library to prepare students for leading college entrance and placement tests as well as career certification and work skills exams

Why it works:

- Interactive and engaging content built to Common Core State Standards
- Robust flexibility to customize courseware to meet specific needs
- High-quality content for original credit, supplemental learning, credit recovery, and extended learning
- Data-rich analytics to identify patterns, glean insights, and measure student growth

Rigorous test preparation and standards mastery

What's approved:

- Illinois College and Career Readiness Bundle of core curriculum, reading intervention, AP® test preparation, and SAT® and ACT® exam preparation

Why it works:

- Built to Illinois Learning Standards and Common Core State Standards
- Technology-enhanced item types that promote higher-order thinking
- Automatic remediation and real-time progress monitoring and reporting
- Teacher tools including lesson plans, instructional videos, and printable resources
