

Northstar Workforce Readiness PRAXIS® Preparation Program

The Praxis Series® assessments are requirements for obtaining certification as an educator. Help your learners achieve their career goals in the education field with the Northstar Workforce Readiness preparation program for the PRAXIS tests.

Prepare to Succeed

Our program for the Praxis tests provides individualized, effective and affordable instruction for students preparing for the PRAXIS Core or PRAXIS II certification exams. Questions built to exam specifications, automatic grading and real-time reporting help you accurately track students' readiness. For students, correct answers are reinforced with explanations, while built-in remediation gives learners practice on the concepts where they need it most.

Why It works

- Program offers 24/7 anytime, anywhere access
- Students are provided with immediate feedback on all questions
- Built-in remediation
