

# MEET THE NEEDS of every student in your classroom

## Provide a targeted and personalized learning experience with credit recovery

For many learners, regaining the educational ground they've lost can seem like an overwhelming task. Edmentum™ partners with schools and districts to provide an online experience that is filled with rigorous and engaging courseware, making credit recovery engaging and attainable, so that your students can get back on track to graduation.

Edmentum Courseware and EdOptions Academy provide proven, effective credit recovery solutions to school districts across the country. By focusing on instruction that fills learners' knowledge gaps and providing them with personalized learning experiences, we target the specific issues that have prevented students from moving forward in the past. The depth of research and the breadth of scope of Edmentum courses can help you create a credit recovery program that will make a real difference in the lives of your students.

### The Edmentum difference:

- Exemptive pretests which precisely identify a student's knowledge gaps
- A personalized learning path prescribed based on pretest results
- Customizable, rigorous full-semester courses based on state and Common Core standards
- Interactive content that includes videos, images, audio narration and built-in technology enhanced items
- Data visualization dashboard for even easier access to real-time data, progress and pacing views, course grades, and student data

### Our credit recovery learning solution is ideal for:

**At-risk students**

**Summer School**

**Remediation**

**Alternative School**
