

ACCELERATE

Learning This Summer

Enhance and expand your summer learning options

Using the summer months to address missed learning opportunities is a necessity this year--but how do you do it? Edmentum offers high-quality online programs and services so students can catch up, get ahead, and accelerate to success.

Launch into summer with solutions that offer:

- **Flexible implementation options** for a shortened summer schedule
- **Targeted learning pathways** that pinpoint each student's unique needs
- **Engaging and rewarding learning experiences** to keep motivation high
- **Differentiated curriculum** to support scaffolded learning and remediation
- **Real-time data and reporting** to help inform instructional decisions

FACT Cumulative learning loss by June 2021 could be substantial; students could be from 4 to 9 months behind.

FACT Longitudinal studies indicate that the effects of summer learning programs endure for at least two years after participation.

FACT According to an NPR survey of more than 60 school districts across 20 states, kindergarten enrollment is down 16% in the 2020-21 school year.

Summer options to suit your students' needs

Address Gaps and Supercharge Growth

Meet each student where they're ready to learn with Exact Path's assessment-driven direct instruction for K-12.

Scale Your Program with Virtual Instruction

Provide virtual learning opportunities by integrating Edmentum's instructional services through our fully accredited virtual school, EdOptions Academy. We offer certified teachers of record, grading service, supplemental targeted instruction, virtual teacher mentoring, and more!

Expand Course Options and Recover Credits

Keep students on track with Edmentum Courseware's engaging, standards aligned digital curriculum for grades 6-12.

Elevate Elementary Blended and Virtual Learning

Engage K-5 learners with project-based elementary digital curriculum for ELA, math, science, social studies, P.E., and art.

Master Grade-Level Standards

Sharpen standards mastery with Study Island practice and assessment tools to help K-12th grade students meet grade-level proficiency or prepare for the year ahead.

Set Strong Foundations for Reading Success

Build literacy skills and ensure that students read proficiently using Reading Eggs' dynamic learn-to-read program for pre-K-6th grade students based on the five pillars of reading.

Support the Whole Learner

Offer social-emotional learning curriculum for grades 1-12 rooted in mental health and wellness principles and underscored by clinical research.
