

ACCELERATE LEARNING OUTCOMES

with Edmentum Courseware + FEV Tutor

On-demand 1:1 tutoring to enhance online learning experiences

Edmentum Courseware is trusted by schools and districts to provide rigorous, engaging digital curriculum for grades 6-12 built to state and national standards. Now, customized 1:1 tutoring offered through partnership with FEV Tutor is available to enhance the online and blended learning experience by expanding options for tailored instruction and personalized support, all facilitated by dedicated, highly qualified tutors who can help lighten the load on school and district educators.

Partner with Edmentum Courseware and FEV Tutor to offer students access to:

- Live 1:1 tutoring available 24/7 either on-demand or on a pre-scheduled basis
- Outstanding tutors who hold at minimum a 4-year bachelor's degree with 2 years of teaching or tutoring experience and have passed extensive background checks
- Personalized tutoring and academic coaching with language support for Courseware curriculum, targeted skill building, and test prep
- Holistic support to foster open, effective communication between students, school staff, and parents
