

ACCELERATE VIRTUAL LEARNING OUTCOMES

with EdOptions Academy + FEV Tutor

On-demand 1:1 tutoring to support a holistic approach to virtual learning

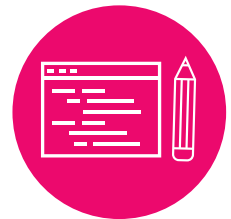

EdOptions Academy is trusted by schools and districts to provide fully accredited, student-centered, and relationship-based K-12 virtual learning. Now, customized 1:1 tutoring offered through partnership with FEV Tutor is available to enhance the virtual course experience by expanding options for tailored instruction and real connection, all facilitated by dedicated, highly qualified educators.

Partner with EdOptions Academy and FEV Tutor to offer students access to:

- Live 1:1 tutoring available 24/7 either on-demand or on a pre-scheduled basis to serve as an extension of EdOptions Academy learning support
- Outstanding tutors who hold at minimum a 4-year bachelor's degree with 2 years of teaching or tutoring experience and have passed extensive background checks
- Personalized tutoring and academic coaching with language support for EdOptions Academy coursework, targeted skill building, and test prep
- Full integration within the EdOptions Academy platform for easy student access
- Holistic support to foster open, effective communication between virtual course students, school staff, and parents
