

## Courseware

### 6–adult customizable digital curriculum

When students enter middle and high school, their interests, skills, and plans for the future impact the courses they need to take to be ready for the next step. With Courseware, address every student's needs with a robust collection of standards-based online curriculum. Our course offering includes core subjects, courses for use with Advanced Placement® (AP®) exams, career and technical education (CTE), electives, World Languages, and ELL Foundations courses to help ELLs build English-language proficiency.

**Expand course offerings,** and scale the impact of your teaching staff

**Implement flexible curricula** that allows a seamless transition between in-person and virtual learning

**Track student progress** with powerful reporting and pacing interfaces

**Increase graduation rates** and keep students on track with courses that can be completed from anywhere with an Internet connection

Educators attribute the use of Courseware to **improved school ratings and graduation rates.**

# Keep All Students Engaged and On Track with Edmentum Courseware
