

# Instructions on Accessing Exact Path

## Step-by-Step Instructions on Accessing Exact Path for K-5

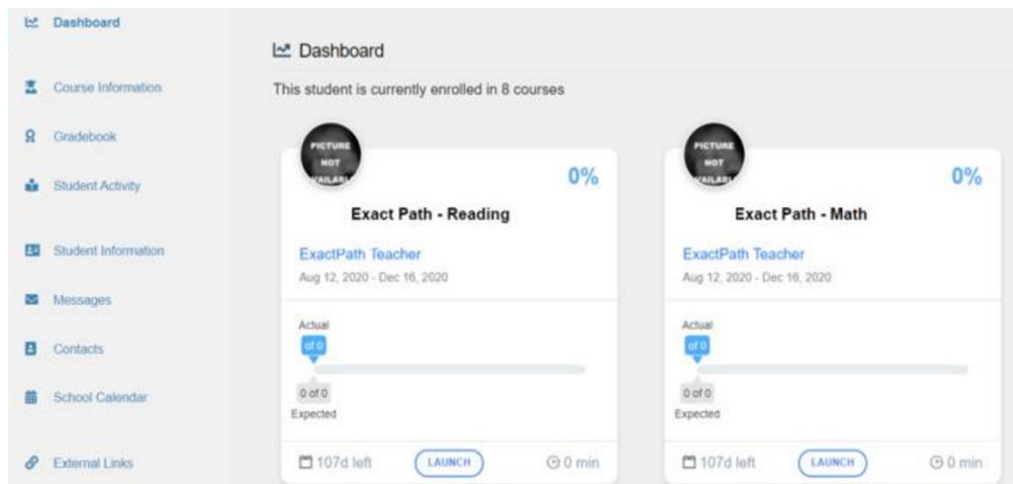

### Step 1

Go to: <https://edm.geniussis.com/> and use the login credentials that were sent to you via email.

A screenshot of the Edmentum login interface. At the top, the Edmentum logo is displayed in black with a colorful bar through the 'e'. Below the logo is a dark gray login box. Inside the box, there are two input fields: "Login" and "Password", each with a horizontal line below it. Below these fields is a teal button with the text "Sign me in". Underneath the button, there is a link: "Forgot your login and/or Password? Click [here](#) to recover your password." At the bottom of the login box, there is contact information: "Contact Us: [noreply@edoptionsacademy.com](mailto:noreply@edoptionsacademy.com)" and "Call Us At: 800-447-5286".

## Step 2

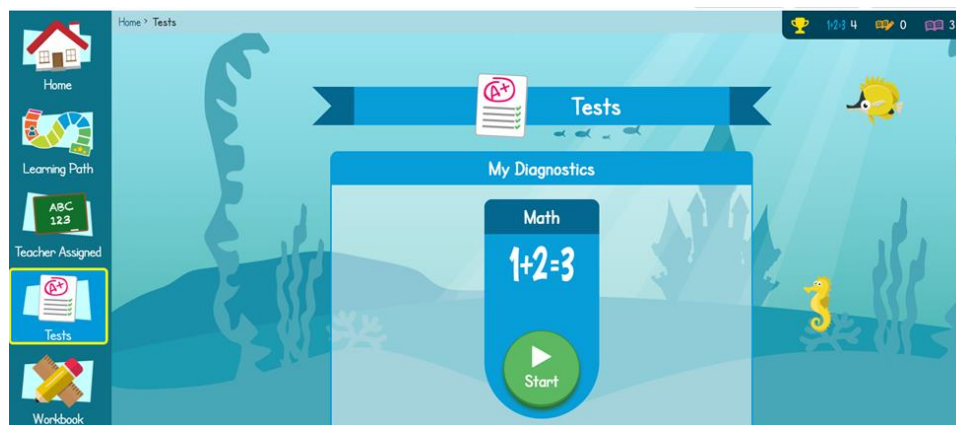

Locate **Exact Path – Math** or **Exact Path – Reading**. Then **click** on the **Launch** button.

## Step 3

On the left-hand side, **select Tests**.

- Now it's time to complete the test! Questions will get easier or harder depending on how the student answers. Let the student complete the test **INDEPENDENTLY**, do not provide help!

## Step 4

The next time the student logs in, the student will begin with the **Learning Path**.

- Click the **Learning Path**
- Start with the **Lesson**, move to the **Practice**, and then the **Mastery Quiz**.
- If the student does not earn 80% on the **Mastery Quiz**, it will lock. Simply instruct the student to review the lesson and practice to **automatically unlock** the **Mastery Quiz**.
