

# Accelerate Learning with Individualized **TUTORING**

## On-demand 1:1 tutoring to transform student success

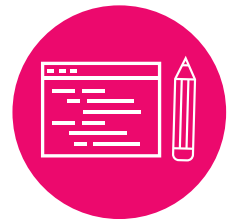

Tutoring is proven to be one of the most transformative and impactful educational interventions for K-12 students. As such, Edmentum is proud to offer customized, one-on-one tutoring through our partnership with FEV Tutor. Now, customized 1:1 tutoring is available to enhance the virtual course experience by expanding options for tailored instruction and real connection, all facilitated by dedicated, highly qualified educators.

## Combine Edmentum programs with FEV Tutor to offer students:

- Live 1:1 tutoring available 24/7 either on-demand or on a pre-scheduled basis for support when and where students need it
- Outstanding tutors who hold at minimum a 4-year bachelor's degree with 2 years of teaching or tutoring experience and have passed extensive background checks
- Personalized tutoring and academic coaching with language support for coursework, targeted skill building, and test prep
- Holistic support to foster open, effective communication between students, school staff, and parents
