

Calvert Parents: Frequently Asked Questions

Questions	Answers	Resources
Where do I sign in and what should I see?	Website: edm.geniussis.com After selecting 'Launch Course' you will see a Calvert dashboard with all classes.	A View as a Student
How do I reset my password?	If you forgot your password, select 'Click here to Recover your Password' on the login page. You can enter your email address or login to recover your password through a private email.	Click here to recover your password.
I'm unable to launch my course; what should I do?	If you select launch course, but the page is not progressing, disable the pop-up blockers.	Steps to Enable Pop Ups
Why is my book/e-text not displaying?	If the student clicks into a resource for an e-text the first time, they'll need to wait 24 hours for the book materials to push from the 3rd party provider into the student/parent/teacher's portal.	
How do I submit an assignment?	There are many different assignment types in Calvert: Learn, Use, Project, and Show. Some assignments will be completed via the dashboard, and some will require saving externally, editing, and reuploading. Note: The projects will have a place to submit student work, but an upload may not be available until the Final Project.	Submitting an Assignment
How do I turn on teacher notes?	As a Parent/Learning Guide you will have the ability to turn on teaching notes for the student by navigating straight to the lesson and, if they are available for the lesson, toggle 'on' at the top of the page.	
How do I review progress?	Once in Calvert, select 'Performance' or 'Progress'. Performance will show you the student's score, while progress will show you	Reviewing Student Progress

	how far along the student is in his or her courses.	
How do I contact the teacher?	To contact a teacher in Genius, navigate to the 'message' option in the Genius dashboard.	Sending a Message
What version do you recommend if using a iPad?	We recommend utilizing at least an 13.3.1 iPad and the Safari Browser when accessing our content and 3rd party links.	Viewing on an iPad
