

Implement with Fidelity to Accelerate Growth

Use Exact Path to personalize learning for all students and make small-group targeted support possible. By combining diagnostics, learning paths, teacher resources, and data insights, you can accelerate growth for all students and scale the impact of your intervention program.

| | | |
|---|--|---|
| 40 Minutes | 8+ Skills | Proven Growth |
| Master a new skill each week by spending 40 minutes in learning paths per subject | Maximize growth by completing at least 8 skills in 12 weeks ¹ | 3rd party ESSA tier II evidence shows statistically significant growth on assessments |

Explore implementation recommendations aligned to student growth goals using all aspects of our award-winning Exact Path program.

| Intervention | Target Goal | Recommendations |
|------------------|-------------------------------------|---|
| Universal | Students grow by more than 1 grade | <ul style="list-style-type: none"> • Administer diagnostics 3 times per year (fall, winter, and spring) • Invest 40 minutes per week in learning paths per subject • For elementary, schedule within core classroom • For secondary, schedule during intervention & enrichment blocks |
| Targeted | Students grow by more than 2 grades | <ul style="list-style-type: none"> • Pair learning paths with teacher-led intervention aligned to RTI/MTSS recommendations • Enable small-group learning guided by diagnostic and learning path data • Find high-quality instructional resources in Assess & Teach |
