Hello Families,

Welcome back to school!

In an effort to ensure that programs are operating at expected levels and you continue to receive a quality learning experience, we have made the decision to move your students onto a new partner Student Information System (SIS), Genius, effective **Monday, August 31, 2020**.

Rest assured, your login credentials, the curriculum experience, and instructional resources will not change.

What do you need to know?

- We have successfully moved your student to a new Student Information System (SIS), Genius which will support you and staff. Usernames and passwords will not change.
- We have prepared a number of resources to familiarize you with the Genius SIS. Access to all available resources can be found on the getting started pages.

Please visit <https://www.edmentum.com/SISlogin> to log in and find all getting started resources.

We know you are relying on us to support your virtual instruction needs and Edmentum is committed to ensuring you have a positive school year with virtual learning, and we are confident that this SIS change will improve your experience.

Sincerely,

Jamie Candee
Edmentum Chief Executive Officer
